

Columbia County, PA, Marriages

The following is a list of marriages and/or licenses of our Fetterman ancestors that were announced in various Columbia County, PA, newspapers. This list was compiled using queries of the databases of the Columbia County Historical and Genealogical Society, Bloomsburg, PA. Their website address is: <http://www.colcohist-gensoc.org>.

Mr. George A. Turner, President of the Columbia County Historical and Genealogical Society, provided the following explanation for the dates of marriages that were not announced until years later. "The Society does not have a complete run of all of the issues on this newspaper. The individual that did the indexing found some of the wedding dates listed in a section called 'Retrospect.' For example, the editor would publish wedding notices that appeared in his newspaper fifteen or maybe twenty years in the past. This is the reason why some of the wedding announcements are many years later than the actual date of the wedding. It was important to cite the source (date) of each wedding notice found in the newspaper even though it may have been years after the date of the wedding."

I have highlighted the "Retrospect" dates below and have included footnotes as well of some of my findings in doing this genealogical research. I would also like to thank the Society for allowing me to upload this very valuable information on our website.
